Nickname <i>(optional)</i>			
Comments or special requirements?			

Rules

- The exhibition runs **Saturday and Sunday from 9-6pm each day**. All exhibitions must be removed at 6pm each evening. **After the exhibition the area used should be left in a clean and tidy condition.**
- **All items used to mount** your exhibition **must be removed** each evening.
- The exhibits should be attached to the railings using string or other soft materials.
- **No "STRUCTURES" allowed.** No items are to be erected that are higher than the railings or that are likely to fall or be blown down and cause injury. For public safety reasons this will be strictly enforced.
- Wire or other materials likely to cause damage to the railings should not be used. Do not use sticky tabs as these cannot be removed easily.
- No undue interference should be caused to other visitors of St Stephens Green. **The pavement should be clear of boxes, tables and prints at all times.**
- All exhibits must be in place by 11:00 each day. Exhibitors are cautioned that unoccupied blank spaces are subject to reallocation without further notice at 11:00am each day. If you do not attend on Saturday without notifying the organisers your original space may be reallocated for both days and a new space allocated on Sunday.
- Peoples Photography is an exhibition of photographs. While all photographers take pleasure in selling a print overtly commercial sales are discouraged by both our hosts (the OPW), and potentially the gardai where offenders may be subject to street trading legislation. Commercial advertisements, posters, handbills and fliers are not allowed.
- Participation in the event is not an endorsement of any business or service by Peoples Photography.
- Each photographer is responsible for his/her exhibits. No claims will be accepted by the organisers or The OPW.
- The organiser has the right to request the removal of any photograph or display considered not appropriate for public display in this exhibition.
- Completion of the Application Form and payment of Exhibition Fee confirms your acceptance of the rules.
- **Peoples Photography is a non-profit group of volunteers. All surplus monies remaining after necessary administration costs (Insurances etc) are donated to registered Irish Charities**

I have carefully read, understood, and accepted the rules and conditions for Peoples Photography

Photographers

Exhibit your photographs for two days on railings of **St Stephen's Green**. Your photographs will be viewed by thousands who visit this area on Saturday and Sunday.

Invite your friends and family to view your exhibition. It's a great opportunity to have your photographs seen by a wide audience.

The individual exhibition space measures approx. **8ft x 5ft**. The exhibition is open to all photographers, amateur & professional. Exchange ideas with your fellow photographers.

It's a fun weekend, a weekend of pure photography.

Information on Exhibiting

For anyone who has never exhibited on the Green before here are a few ideas on displaying your photographs.

Firstly ensure that you have all the materials you require, useful items to have on the weekend could include string, pegs, masking tape, pen and above all prints. Bluetac works well. The space available will hang at least 15 large mounted prints. Bring some plastic to protect your prints in case of rain. A fold up chair would also be useful.

The most common method to exhibit prints is to stretch string between the railings in two or three rows. The prints can then be attached to the string with pegs.

Another method is to use the green gardening netting. This can be tied to the railings and again the prints can be attached with pegs.

Prints can also be strung at home prior to the exhibition. This works well when all the mounts are the same size.

Two pieces of string can be knotted and the prints will sit between them. This is a quick and convenient method to hang the prints. Prints could be attached to light board, which can then be hung on the railings with string. Some exhibitors enclose their prints in acetate covers to protect them. These however can be expensive.

Enjoy the weekend!
