Thank You from NCBI

Dear Tony,

On behalf of NCBI and all its service users, I would like to take this opportunity to thank you kindly for your most generous donation of €2500 raised from the People's Photography Exhibition on 24th and 25th of this year. It was a fantastic achievement to raise these funds and we are truly grateful for your continued support.

Since its inception in 1931, NCBI has been fully committed to promoting the full independence of people in Ireland who are blind or vision impaired. Presently it provides a wide range of services to over 17,000 people.

Your help and generosity is greatly valued as it allows us to maintain our commitment to the delivery of accessible services for everyone who is registered with us. In this way we can continue to optimise the intellectual, social and economic independence of people with vision impairment nationwide.

Your donation will play a vital role in areas such as our current 'mini bus appeal', whereby we aim to purchase a mini bus to enable our service-users to attend training sessions and workshops that play a central role in their health and wellbeing.

Once again, I would like to extend my sincere gratitude to you and the entire People's Photography team for your tremendous fundraising efforts.

Kind regards,

John Paul Corcoran
Fundraising Executive
