### Thank you for Making Home a Reality

Dear [REDACTED]

On behalf of the Simon Community, and more importantly people like Tracey who rely on our services, I would like to thank you and everybody at Peoples Photography Ireland most sincerely for your valued generosity. Please find below the receipt for your kind donation of €1,500.00.

When people come to Simon's door our first priority is to help them build up their confidence and regain their dignity. This may have been lost through weeks, months or years of vulnerability, uncertainty and fear. Each of our services play a part in this journey, from our Soup Run and Rough Sleeper teams offering outreach and advice, to our housing and prevention services securing a safe place to call home, we enable people to take control of their lives once again.

For people like Tracey, her time with Simon was life changing and has given her the courage she needed to move on from homelessness for good. **"Simon services need to be seen to be appreciated, to see what they are doing for people. The Simon Community is a lifeline. In some cases, and in my own, it's a matter of life and death."**

Because of your support, the Simon Community will empower people to know that homelessness is only a part of their story; one that they can leave behind. Thank you for giving people the belief that they can move forward with their heads held high and start the next chapter of their lives with positivity and hope.

From all our clients, residents, volunteers and staff, I would like to wish you all a peaceful Christmas and a very happy New Year.

Yours sincerely,

*Many Thanks Eddie for  
helping us through these  
very challenging times.*
